Gals and guys,

We're hosting the national convention here in the coming Fall. We're going to have convention T-shirts made to sell at it. The best idea is to have a shirt that lists the top ten reasons to attend a convention at KSU. We've come up with a few but want to tap into the creativity of our members. Here are three tentative ones we've gotten.

to attend Michigan Alpha's midnight bash (they host a party every year)  
to see all the buffalo roaming on the wide open Kansas prairie  
to find out that there are actually people living in Kansas  
maybe something w/ Dorothy and Toto

Anyway, we want your input. Please email me back w/ any ideas. Thanks!
